Wide range of categories

Features

Find Supplier

Buyers can explore a diverse range of products from suppliers worldwide.

Add Product

GlobalArtha gives sellers the advantage of adding their products

My Profile

My profiles display documentation and offer an option for verification, while allowing monitoring of product views and direct partner communication.

My Activity

My activity involves tracking profile and product views, identifying top viewer locations, and managing a favorites list that includes selected products and partners.

1. Find Supplier	5. Add Partner
2. Add Product	6. Chat
3. My Profile	7. Inq. & Quotations
4. My Activity	8. Verifications

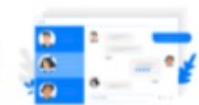

Add Partner

My partner feature allows users to send partnership requests for business collaboration and communication. It facilitates understanding through access to company documentation and backstory.

Chat

My Chat provides partners with a platform to communicate and exchange business ideas in a collaborative environment

Inquiries & Quotations

Inquiries facilitate initial contact by allowing a one-time message to non-partner users. Quotations enables the sending of purchase orders in a formal PDF format with company stamps.

Product & Profile Verification

The verification badge is granted to profiles and products after thorough document checks and meeting specific criteria, signifying authenticity.

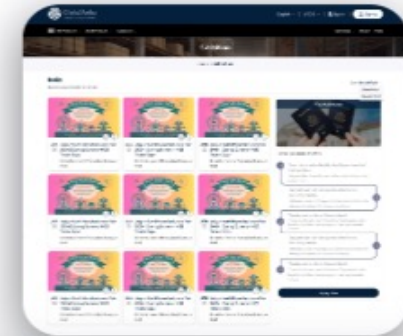

Global Exhibition Gateway

Discover and Engage with Exhibitions

This section gives detailed information at your fingertips, including dates, venues, timings, and types of Exhibitions.

GlobalArtha simplifies the process of planning your next business venture. From the latest tech expos to traditional trade fairs, every detail you need including ticket booking and exhibition highlights are readily available, making it easier than ever to stay ahead in your field.

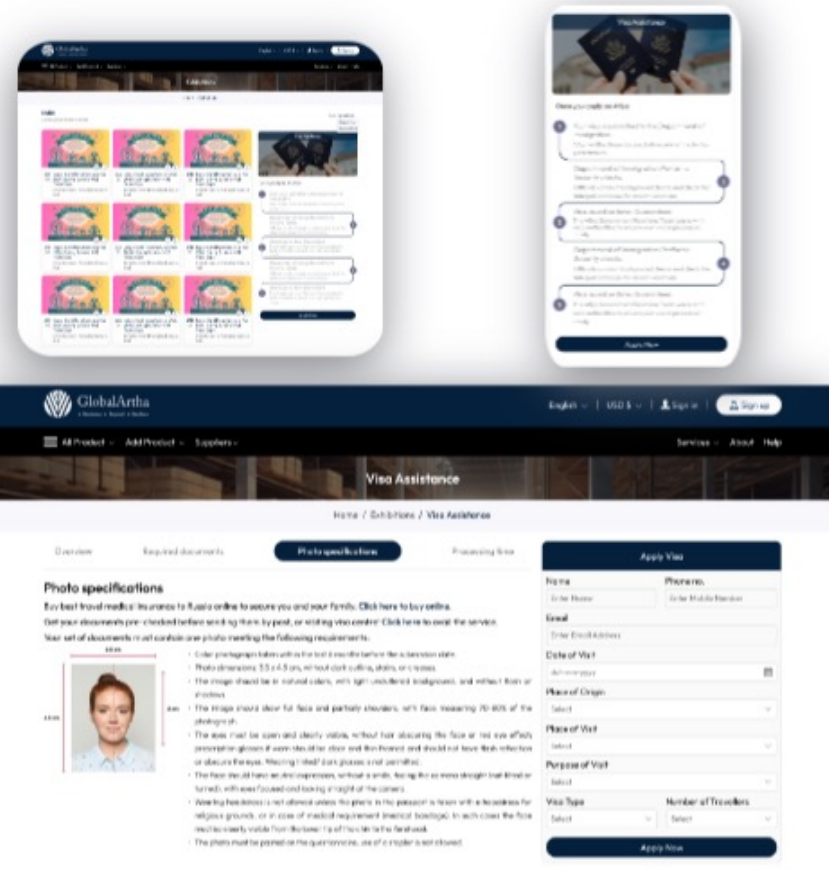

Visa Solutions

Visa Assistance for Global Entrepreneurs

We provide comprehensive support for visa applications to a variety of countries.

GlobalArtha not only outlines the necessary procedures and required documents but also connects you with experienced visa agents ready to guide you through the application process. By filling out a simple form, you can quickly gain access to personalized assistance.

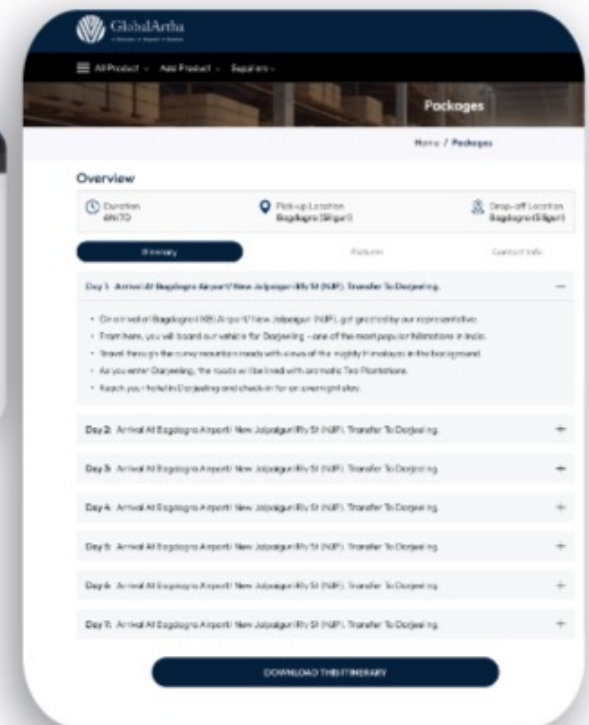

Business & Factory Tours

Experience Industry from the Inside

At **GlobalArtha**, we go beyond the basics to offer bespoke factory tour packages tailored to the interests and objectives of business professionals.

Select from an extensive list of factories across different industries and regions, view detailed schedules, types of tours available, and browse through images to make an informed decision.

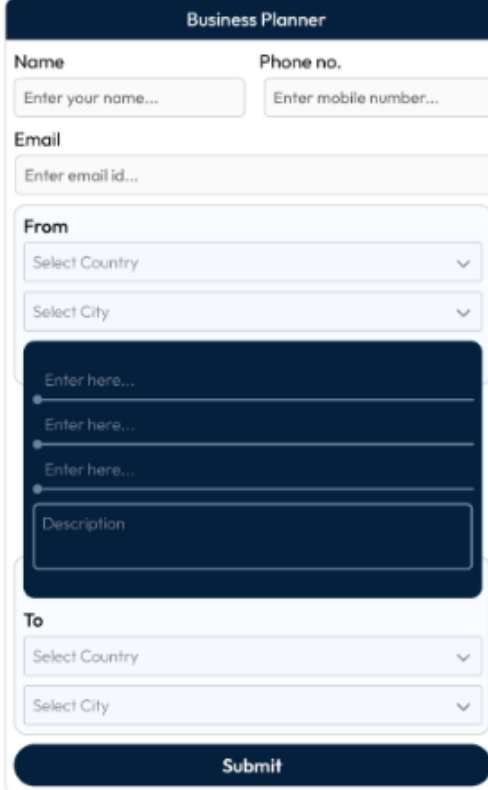

Business Travel Planner

Design Your Ultimate Business Itinerary

Introducing the dynamic, interactive Business Package Planner by **GlobalArtha** – a tool designed to effortlessly bridge your planning and executing phases of business travel.

With the ability to enter specific details such as travel dates, locations, people to meet, and factories to tour, our platform offers an unmatched level of flexibility and control over your business itinerary.

A mobile app interface for a 'Business Planner'. The form is titled 'Business Planner' in a dark blue header. It contains several input fields: 'Name' (with placeholder 'Enter your name...'), 'Phone no.' (with placeholder 'Enter mobile number...'), and 'Email' (with placeholder 'Enter email id...'). Below these is a 'From' section with two dropdown menus for 'Select Country' and 'Select City', followed by three text input fields with 'Enter here...' placeholders and a 'Description' text area. A 'To' section at the bottom has similar dropdowns for 'Select Country' and 'Select City'. A dark blue 'Submit' button is at the very bottom.
